

Remember how confident you were as a newly-minted Master's Program grad?

As someone who's experienced The Master's Program®, you know how effectively the real-world skills you learned in class can be applied in the workplace.

Since you graduated, we've expanded our curricula adding new courses in the latest Microsoft technologies -- .NET, SharePoint, SQL Server & Business Intelligence tools.

Here's your chance to get back to class again and **SAVE** with 6 months' unlimited access to Master's Program courses.

Restore the missing pieces to your tech skill set with 6 months of **unlimited access*** to the best in IT training.

The **SetFocus** Alumni Passport entitles the bearer to:

- participate in an unlimited number of .NET, SharePoint, SQL Server & BI lecture courses
- for 6 months from date of issue.

*Unlimited access subject to Program Rules on reverse.

Alumni Passport Program

Pricing, Parameters & Rules

The **SetFocus** Alumni Passport is offered in 2 versions
Anytime or Evening only

Anytime Passport: \$4,500

Anytime Passport holders are entitled to participate in an unlimited* number of Day or Evening lecture courses for 6 months from the date of Passport issue.

Evening Passport: \$3,000

Evening Passport holders are entitled to participate in an unlimited* number of Evening only lecture courses for 6 months from the date of Passport issue.

Cost of books & materials is not included in the Passport fee & will be billed separately.

**Unlimited access subject to Program Rules.*

Program Rules

- Start date of each course must fall within the 6-month term of the Passport.
- Course schedules are subject to change.
- Should a schedule change move the start date of a course in which a Passport holder is enrolled beyond the term of the Passport, the Passport will be honored for that course.
- The Passport does not include any project courses.
- Passport holders may participate in only one course at a time.
- Enrollment of Passport holders in any course is subject to:
 - ✓ fulfillment of course pre-requisites as defined in the [SetFocus Course Catalog](#)
 - and
 - ✓ approval by the Dean of Students.
